

Futurewise 2026 Sponsorship Packet

Celebrate Progress. Shape What's Next.

For 36 years, Futurewise has served as Washington's voice and steward for climate-smart growth, equitable housing development, habitat and agricultural conservation, and resilient, thriving communities

On November 7, Futurewise will bring together the advocates, policymakers, planners, business leaders, elected officials, funders, and community partners helping drive progress in housing, transportation, and climate policy in Washington. We will celebrate recent victories and unveil our new five-year legislative agenda.

This event offers an exclusive opportunity to engage with influential leaders from across sectors, gain insight into the policy landscape ahead, and be part of the conversations shaping our state's future.
